

Scratch Off Lotto Ticket Valentines

Directions:

1. Print off the Valentine's Day card templates (found on the next two pages) on white cardstock. Make sure to print enough so that you have enough for your entire class.
2. Decorate all of the cards with your favorite Prang[®] products, leaving the heart uncolored.
3. Mix 2 tablespoons of red Prang[®] Tempera paint with 1 tablespoon of liquid dishwashing detergent.
4. Paint the heart with the tempera paint mixture. Feel free to glob it on, especially over the letters in the heart you are trying to cover. Allow to dry for 24 hours. Add another layer, as necessary.
5. Cut out the cards, and remember to write that they're from you on the back!
