

TURKEY HANDPRINT CRAFT

DIRECTIONS:

1. Completely cover toilet paper roll with brown Prang® Tempera paint and allow to dry.
2. Paint hand red and place flat against paper to make a handprint. Make 2-4 copies of handprint, adding more paint as necessary.
3. Repeat step 2 with different colors of paint, including Brown, Yellow and Orange.
4. Using a Ticonderoga® pencil, draw turkey face on toilet paper roll, including two ovals for eyes and an upside-down triangle for beak.
5. Paint face on toilet paper roll.
6. When handprints are dry, cut them out.
7. Tape handprints to back of toilet paper roll in a fan shape to appear as feathers.
