

## Directions:

1. Using Prang Oval-16 Watercolors, paint a background completely covering sheet of watercolor paper. Allow to dry.
2. Go over background with Prang Metallic Watercolors to create a cool sheen. Allow to dry.
3. Place a quarter sized amount of black watercolor paint onto paper to be the base of your tree trunk.
4. Using straw, blow paint upward to create a tree. Add more black paint or water as necessary.
5. Repeat steps 3 & 4 to create another tree. Allow to dry.
6. Add details such as the ground or a moon to your painting with a black Prang marker.
