

Santa Handprint Ornament

Directions:

1. Place a fist sized amount of clay in the coffee can lid
2. Roll clay flat with a rolling pin completely filling the lid
3. Trim off any excess
4. Trace outline of hand with sculpting tool
5. Remove clay from coffee can lid
6. Poke a hole in the top middle part of clay for ribbon
7. Allow clay to dry for 24 hours
8. Use Ticonderoga pencil to trace outline of Santa's hat and beard
9. Use Prang Tempera paint to give Santa color - allow 30 minutes to dry between coats
10. Trace over original handprint using black Prang Tempera Paint - allow 24 hours to dry
11. Apply two coats of glaze waiting 30 minutes between coats
12. Allow 24 hours to dry completely
13. Cut ribbon, thread through hole, and hang on your Christmas tree
